

Launch of Corporate Communications Department

Central Glass Co., Ltd. launched the Corporate Communications Department on March 1, 2024.

The functions of Investor Relations, Shareholder Relations, Public Relations, and others formerly overseen by the Corporate Administration Department have been separated into the Corporate Communications Department. As a result, we aim to strengthen and enhance information dissemination and communications with stakeholders.

We value opportunities for dialogue with investors and stakeholders to gain a better understanding of us, and endeavor to provide useful and high-quality information.
